Current Location : Istanbul/Turkey

Born on Oct 06, 1997

I graduated from Uludağ University in 2016, where I focused on color technology and communication.

I have improved myself by learning technologies such as HTML, CSS, SCSS, SASS, JavaScript, React, and TypeScript through self-study. I am also currently pursuing an associate degree in Web Design and Coding at Istanbul University.

I am eager to contribute to innovative projects and further enhance my technical knowledge by exploring available opportunities. Kind regards. .
